About Us

EAB Creative Planning Services, LLC exists to support creative entrepreneurs in realizing their full financial and business potential. Using our **holistic approach**, we aim to:

- ◆ Help creative entrepreneurs master their personal and business financial lifestyles;
- ◆ Educate creative entrepreneurs on how to grow their business to its full potential; and
- ◆ Work with creative organizations to develop programs that fully support their constituents in their financial and entrepreneurial goals.

EAB is all about Generating Wealth through Creativity. Our goal is to help all of our clients achieve their dreams one dollar at a time.

Creative Entrepreneurs Workshops

Topics Include:

- ◆ Your Money Personality
- ◆ Exploring Entrepreneurship
- ◆ Business Check-Up
- ◆ Master Your Niche

For a current list of workshops, please visit: www.eabplanning.com

Training Bootcamps

EAB's creative entrepreneurs training bootcamps and workshops teach creative entrepreneurs how to successfully integrate and balance the concepts of creativity and business. In our workshops, not only do we focus on the business of creativity, we focus on the creativity that makes your business.

The fee includes all workshop materials, workbook, and small snacks throughout the day. A 30 minute lunch break is provided as well as time to complete in-session activities.

Creative Entrepreneurs Bootcamp

As a participant in this one-day Training Bootcamp, you will:

- ◆ Create a mindset that supports success as a creative entrepreneur;
- ◆ Redefine the business planning process, learn about the "Cosmic Business Plan" and how to write one that is relevant to your creative business;
- ◆ Demystify financial planning and create an initial financial plan that focuses on both your personal and business finances;
- ◆ Create systems and process that work for you as a creative entrepreneur;
- ◆ Engage in innovative activities that are eye-opening and awe-inspiring; and
- ◆ Strategize ways that will help you generate wealth from your creativity.

Creative Entrepreneurs Financial Bootcamp

This training bootcamp focuses on introducing you to the basic small business accounting, financial management and taxation concepts that impact your creative business.

As a participant in this one-day Training Bootcamp, you will:

- ◆ Get an overview of accounting principles and learn about the difference between cash and accrual basis accounting;
- ◆ Learn how to estimate sales data and use the data to create pro-forma financial statements;
- ◆ Learn how to: interpret financial statements, and how to accurately estimate start up expenses;
- ◆ Learn about the IRS rules and regulations that apply specifically to small businesses; and
- ◆ Engage in activities that are fun while building your financial skills.
