## About Us

EAB Creative Planning Services, LLC exists to support creative entrepreneurs in realizing their full financial and business potential. Our goal is to help all our clients Generate Wealth through Creativity. Using our **holistic approach**, we aim to:

- ◆ Help creative entrepreneurs master their personal and business financial lifestyles;
- ◆ Educate creative entrepreneurs on how to grow their business to its full potential; and
- ◆ Work with creative organizations to develop programs that fully support their constituents in their financial and entrepreneurial goals.

### Creative Entrepreneurs Workshops

EAB's creative entrepreneurs training workshops teach creative entrepreneurs how to successfully integrate and balance the concepts of creativity and business. In our workshops, not only do we focus on the business of creativity, we focus on the creativity that drives a creative business.

## Youth-Focused Creative Entrepreneurship Workshops

Similar to our adult trainings, our youth trainings are designed to expose youth with creative talents to entrepreneurial and financial literacy training. Our goal is to help youth realize their creative potential so that they can use their talents to generate streams of income, and eventually so that they can turn their creative ideas into sustainable businesses.

### Creative Youth Entrepreneur Bootcamp

As a participant in this multi-session bootcamp, youth will:

- ◆ Create a mindset that supports success as a creative entrepreneur;
- ◆ Be exposed to a creative business planning process;
- ◆ Be exposed to financial education and awareness from both a personal and business standpoint;
- ◆ Engage in innovative and skill building activities that focus on helping them to identify their interest and their career aspirations;
- ◆ Engage in short and long-term goal setting; and
- ◆ Strategize both short-term and long term ideas that will help them generate revenue from their creativity.

## Additional Training Topics

EAB also offers a range of motivational workshops on relevant, youth-related topics. Our workshops inspire, educate and empower youth to create the lives that they truly desire to have. Topics include:

- ◆ Your Money Personality
- ◆ Exploring Entrepreneurship
- ◆ Financial Planning for Creative Youth
- ◆ Master Your Niche: The Importance of Marketing and Market Research

### Services for Creative Nonprofits

EAB can work with your organization, to develop an entrepreneurship program specifically for your youth population. In addition EAB can provide services to help facilitate the programming process:

- ◆ Business and strategic planning (formal and informal facilitated planning sessions)
- ◆ Training and curriculum development for existing programs
- ◆ Train-the-trainer workshops for entrepreneurial programs
